**CBM Prayer Line**

**Bustin's on Home Assignment** – Please bless this trip – grant them safe travels, protection, and excellent health. Let this be a time of joyous sharing as they meet with individuals and churches about the work in Rwanda! May they be refreshed as they make new memories with their children Bronwyn and Caleb, and their parents. Meanwhile, the work goes on in Rwanda, and we ask for your hand to be upon those programs and for the first three Emerging Leaders Initiative seminars that will take place while the Bustin's are away. Allow for continued growth and development of the 20 young men and women involved in this program.

**Peace and Order in Lebanon** – Watch over this nation and its people as they navigate this season of unrest. May you bring comfort and provision to those in need and give wisdom and integrity to the government leaders who are currently in place. You have spoken to the hearts of five believers who will soon be taking on leadership within a growing network of house groups in Beirut. We pray for wisdom and your leading for Joe Bridi as he trains them in preparation for these groups. Please grant protection over Joe, the Lebanon team and the new leaders as they witness to the power of the gospel to others.

**Global Horizon Youth & Children Leaders and Participants** –

Thank you for all of the youth and children ministry leaders across the world that are being equipped through the Horizons Leadership Training program! We pray guidance, wisdom and safe travels for Jeff Carter as he speaks at a reunion of four generations of youth leaders. Let this be a time of celebration and renewed vision for spiritual growth.

Continue to pray that the COVID-19 (globally) would be contained and for those who are suffering with the symptoms and dealing with the casualties.
