Adore (A)

Video – The Wonder of His Birth

Solo “O Holy Night”

Devotional Thought – “Living with a Messy Christmas”

Instrumental “What Child is This?”

Carol #147 “Silent Night, Holy Night”

Benediction

Welcome to Christmas! We pray this will be a meaningful moment of worship as we celebrate the gift of Jesus. This evening, we will conclude our advent series, The Wonder of Christmas, as we celebrate The Wonder of His Birth.

*We pray that you have a Blessed Christmas
& a Joyous New Year*

There will be no formal collection of an offering during the Christmas Eve service. Should you wish to make a donation, Christmas offering envelopes are available in the entry way and can be placed in the offering boxes by the exits from the Sanctuary. This year, the mission part of our Christmas Offering will help families at risk in Bolivia. Families in rural regions are often at high risk of contracting Chagas disease. Chagas is caused by a parasite which eventually lodges in the heart and can be fatal. Your gift will help save lives as the funds are used for the renovating homes to eliminate the risk of contracting the disease and connecting families in need with resources in health services.

Candle Lighting Procedure

Please pick up a candle as you enter the Sanctuary. Pick up a battery operated candle for the little ones. When the time comes, someone will come down the aisle and light the candle of those seated at the end of the aisle. Others in that row will light their candle from those seated next to them until all are lit. To avoid dripping on your clothes or the floor when lighting the candles, tilt your unlit candle towards the lit candle which should remain upright. When extinguishing your candle, please cup your hand around it so you do not blow wax on those near you. Thank you.
